**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

There is no question at all that competition is good. It is much healthier, and keeps providers more honest. Surely, it is 'the American way'. Let us not lose it completely.

I am very happy with my service. I get everything I need through Sonic and a good antenna. Before that, using Comcast, I was not only thoroughly ripped off (which I cannot afford at my age), but they simply do not respond to their customers' needs. Why should they bother when they are big enough to survive with a few customer losses.
